“ *Hey brother, miss you.
This is for our Sunday call each week. We always discussed
whatever was going on at the time. Had our laughs and sorrows but
always in touch with reality.
You will always be loved and in our thoughts....never forgotten.*

*Bob will be greatly missed.
" Hey Brother" is how we started our conversations, Sunday
mornings.
We had many laughs and memories, together. He was and is a great
brother and will be in our thoughts and prayers.*

Love Tom and Terry.

“ Dear Ceil, Michael and Family,

We have such wonderful memories of Bob. He was a dedicated man and truly the definition of a great friend and caring person. He would do anything for anyone in need and was always there to help. His smile was utterly contagious and we're sure he will be smiling and singing his "Blueberry Hill" once again up above, as he did when he sang on earth to brighten people's lives. From "Santa Bob" to "The Bionic Man" as he was referred to, we know he will be missed tremendously.

With our deepest sympathy and blessings for all of you,

Michael, Dorene, Michelle and Brenda Purvis
