“ I am sad to hear of you passing, Robbie. I have many fond memories of you, whether we were just hanging out with Dan and drinking beers or hanging out with you outside the firehouse while you volunteered in Carolina Forest. You were a huge part of my life when I moved down to SC from New York. You were one of my first amazing friends I met. I saw you off to Iraq and bawled my eyes out when you left. I prayed everyday that you would come back safe, and you did. I thank you for your service both here as a firefighter and overseas as a United States Marine. I remember sending you many care packages and waiting for your phone calls from that "damn sandbox." I'll always remember your knife hand and you always picking on me. I love you Robbie. You will be missed. Rest easy, Friend! And to Robbie's family, I am so sorry for your loss. I hope you find some comfort in some of the memories shared.

“ Sending much love to the Shubert Strumke family. He was a great friend to me growing up together, from many late night adventures/shenanigans, to him chasing me around with his airsoft; most of all his loving personality and ready to put a smile on your face when you need it the most. I remember him always wanting to protect me and vice versa, always making sure he didn't get into too much trouble. He will be missed dearly.

“ Rob you are one in a lifetime friend. Who else would let two almost complete strangers move into their brand new home with them without a second thought. I can't believe I'll never hear you call me "wifey" again. I love you so much. I will forever have a whole in my heart and soul.
