“ *Bob Thompson was one of the most dedicated volunteers I have ever had the privilege to meet. Bob taught me many things about feeding large crowds of people and being willing to continuously give to others. Bob was an inspiration to others at the Red Cross and he will be missed. Thank you Jesus for allowing me to get to know Bob and share a small piece of his life. Karen Anderson, American Red Cross*

“ *May he rest in peace in heaven basking in the love of Jesus and the boundless joy and beauty there. I knew Bob from when I was our county's Adopt A Hwy coordinator. Bob handled all the supplies needed throughout my 4 years of service. He served much longer than that before and after my volunteer work. This was just one of his many contributions to others. He will be missed by many. Ann Dunham*
