“ *Words can not express the sorrow from the lose of father. He was not only my role module but my friend. He will be with me forever in my heart and thoughts. Before I ever make a decision I will ask my self what would Dad. His advice was always blunt and to the point....and right. I will miss you Dad and love you with all heart..*

“ *To the Truman Family:*

In this difficult time in your life, may you find comfort in God’s Word, the Bible. James 4:8 encourages; “Draw close to God, and He will draw close to you.”

*My condolences,
SJB.*

“ *Sue, You and the family are in my thoughts and prayers. Bob was a good man and will be missed by many. Might I suggest a book called "Proof of Heaven" by Dr. Eben*

Alexander. Dr. Alexander explains that this life is merely one level of existence and that God has so much more to offer. In the book he scientifically analyses his own near death experience and journey into the afterlife. I hope that the book offers you some comfort.

The next time the lights blink, just know that it's Bob there watching over you.....Jane will know what I mean.

Take Care, my love to all of you.
