“ Dear Beverly and family.  
I am so sorry for your loss. Bev you may not remember me but we enjoyed many lunch times at Continental and CNA in years past. I went to school with Jane Sennett and ate with you often.  
One thing I remember about Bob is that he looked a lot like Kenny Rogers and I think was mistaken for him when he was in town.  
When I read this morning I just wanted you to know that I'm sure many people here in Glens Falls are remembering you and your family at this sad time.
