“ *My condolences to the entire family. I remember Bob and his wife. He was a wonderful air conditioning man and diligently tried to keep up with our old system. He was an honest and hard working father and husband with a great work ethic to leave as a legacy for his grandchildren.. We were privileged to know him. May he rest in peace.*

“ *We were next door neighbors of Bob in Churchill. We loved to see his garden grow every summer, and the pleasure he received from it. Our thoughts and prayers are with you and your family over your loss.*
