“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ *Roberta I feel heartbroken, I will miss you so much, we met through facebook and had so many daily chats, you were a great listener in my troubled times and we had so much fun laughing at everyday life. I know your grandchildren especially were your pride and joy and you chatted about them often. I wish we had met as we had discussed but one day we will. Rest in Peace now you are free from your pain and suffering, may God bless your family in the times ahead, Lots of Love Ann Wardrop (United Kingdom)*

“ My heart breaks, knowing I will never get to meet Roberta. We spoke for hours a day sharing the same love for FarmVille. Her absence has been noticed in the past few months, and I was blessed to connect with her a few times. She was full of life, with nothing but kind words and a great ear to listen to your problems. She loved her boys daughters (inlaws) and her grandchildren always looking forward to the visits. Facebook may of connected us, but what kept us together was her spirit, compassion and love for life. Sending thoughts and prayers to all her family. Jane Hives (Port Colborne Ontario, Canada)
