“ *Robin and I meet back in grade school. I remember spending summers with her at Chris's place behind the gas station playing the pool all day. Robin and I lost contact when she changed schools. I was so excited that we had reconnected on Facebook and I was looking forward to us getting to catch up on life. Robin is also special to me because we share the same birthday.*

*I just wanted her daughters, family and close friends to know that you all are in my thoughts and prayers. Robin will be missed by many*

Robin was an amazing woman with had a positive attitude no matter what life handed her. I have so much respect and admiration for the woman she was. I feel privileged to have been able to meet her and care for her as a patient. I will miss her beautiful smile and our funny conversations about hanging blood.
