“ Robyn, I am at a total loss for words. My heart goes out to all you have touched. How many people can honestly say they have met someone in person by playing a game not once but twice I was truly blessed. God said your mission here is complete and I now need you with me therefore you are now blessed. You will always be in our hearts you are now our BIG FISH until we meet again 😭

“ Dearest Robin,...I'm at a loss for words. But even words won't be able to describe how the news of your passing has hit me like a ton of bricks. So unexpected and I'm so remorseful that I didn't take the time to enjoy your company more. Life is so unexpectedly gone with no warning and it's so like you to teach me one more thing before you left this world and that is to never let life make you so busy that you forget to make time to enjoy the ones that truly matter at the end of the day. Thank you for everything Chef, I'll always be missing you.

“ Words cannot express how shocked and saddened we all are at the passing of our beautiful friend Robin. Despite not having actually ever having met in person, we have played and chatted with Robin for many years on Big Fish Casino and affectionately referred to her as our sis. “ *What can one say of a beautiful niece who passed out of our lives, too soon, and into the arms of Jesus and his glorious chorus of angels. We who loved her dearly watched a little girl grow up to become a wise, generous woman, who brought joy and smiles to everyone she came in contact with. We will always remember you Robin love in our hearts and in our prayers. Auntie mom (Jane)*
