“ I met Robin back in the early 1990's when we worked together in *Falling Waters* for a remote encoding center. She was so full of life, and loved to laugh and have fun. She had a way about her like no other. I'm truly saddened to hear of her passing and sending my most sincere condolences to her loved ones left behind.

“ Robin has been my backyard neighbor and close friend for many years. She always found the bright side of a bad day, and lit up a room with her smile. Her kind heart and caring personality was always a pleasure to be around. She will be deeply missed.

“ Robin was my next-door neighbor for over 13 years. And I'm so saddened to know that she passed away. She was a real nice person with a pleasant personality. I know she put up a long fight against cancer and it was sad to see her lose her health. In my early years here at Tradition Robin & Keith came to a few of our KY Derby parties which I always remember with fondness. My sincere sympathies to Keith and Robin's family. She left us too soon.

“ Robin was a close friend of my mom. They had a lot of good times together. Both of them had great senses of humor. Robin was always vibrant, caring, generous, and brought a room to life when she entered. Robin and Keith were helpful to us on several occasions and invited us to dinner shortly after my dad passed on. I am very sad to hear of her passing, but I'm confident that she is in Heaven now. Robin was a great person and full of style. My thoughts and prayers are with her family.

“ I have many memories of cousin Robin but when I was a freshman she was a Senior at Martinsburg High. I remember her riding on the hood of a car and sliding off onto the car in front of her. I was worried she was hurt, but of course she was fine and then it was funny. I will remember taking her to the airport at 3 am. May God rest her soul.
