“ I will always remember Robin and miss her terribly! Robin was my first friend while I was in the hospital. She took my hand and showed me the way and will always have a place in my heart. I know she is in a place now where she will no longer be sick and I know she will look down upon us and be our guardian angel. RiP Robin.

“ Our thoughts and prayers are with this family at this very difficult time. We were neighbors for several years and really did not get to know Robin very well, but knew of Jim's struggle with her illness. This woman had incredible strength to have gone through all that she did. Rest in peace, Robin and know that we are nearby to keep watch over Jim when and if he needs us.

Robin

God looked around His garden and found an empty place. He then looked down upon the earth and saw your tired face. He put his arms around you and lifted you to rest. God's garden must be beautiful He always takes the best. He saw the road was getting rough and the hills were hard to climb, so He closed your weary eyelids and whispered "Peace be thine". It broke our hearts to lose you but you didn't go alone, for part of us went with you the day God called you home.
