“ Rick Howell will be missed. When working at the General Office Rick would enter the room like a breath of fresh air. He would greet everyone with a smile and the appropriate nickname he gave to them. Mine was Slick. Now Slick will miss you, but this I am sure of. You are in your Heavenly home with our Father. GOD bless and keep your family. Much love Sharon Gaines Reese

“ *I had the great honor and privilege of knowing Rick for many years both as a friend and through my job. Rick would always go beyond the call of duty with his customers. Every time I would see Rick he would always ask how my mother and family were all doing. Rick also would talk about how much he loved his family and most of all his Lord and Savior Jesus Christ. I will truly miss him very much but will take great comfort in knowing he is safely home without any worries or pain. My prayer are with Leslie and his children along with his family. Rest in peace my dear friend your race is over and now it is time to enjoy your heavenly home. Until we meet again.*

“ There are no words to express the grief that has surrounded all of the people that this great man Rick Howell has touched in some way. I worked with Rick at UPS for many years and he truly was a Southern Gentleman. He loved his family and always had new pictures to show me of how much they were growing up he was extremely proud of those kids. He always spoke of Leslie as his one true love and the love of his church. We will all truly miss his humor and that great smile when he walked into the room. Rick Howell was one of a kind and I will miss him dearly. May God wrap his arms around all the Howell family in this time of such a great loss. My prayers are with Leslie and the kids and we all know that Rick is in heaven and will always be in our hearts forever.

“ *Rick was all about honesty and integrity. We worked together in the fast paced cold world of Corporate America but he never wavered - he loved his family and shared many stories about them and he remained true to himself. Just two weeks ago, Kim and I were talking about how much we liked and respected this kind and wonderful man. His sudden death has shocked and saddened all of us who were touched by this angel on Earth. My heart goes out to his family and pray that you are comforted by knowing how much he was admired, respected and loved by his friends, his "extended" family. God bless you.*

“ *My heartfelt sympathy goes out to you all. Rick was one of a kind. He always made me smile just by talking to me. I truly feel blessed to have known Rick. He was always there to lend a hand or to give me guidance on what to do. We worked together for over 10 years. I know this he got a golden ticket to heaven and is there with the other Angels looking out of you all. Someday you will be reunited with him and he will be waiting with open arms and that BIG SMILE.....*
