“ I was so Blessed that I had Met your Dad Kim. His Smile and presence comforted my heart when I met him.. His home felt like Home.

His Humor Made me Laugh till my cheeks hurt. His Hug warmed my bones. His Generosity filled my belly and quenched my thirst. His stories made me think. His Huge Heart made me feel Loved. His courage gave me freedom. I felt like I had known him forever. What a Genuine Person. The world would be super if more Men were like Him. Wish I could have been there.

Thank you

“ Rodney always cared for others ... he "prayed me through" two runs of breast cancer. Know the Lord has welcomed home one of his children.

“ Rodney would "play Priest" when he saw me.....he would raise his hand and do the blessing over me; and if he forgot, I would ask him! So much fun!! Dear Jan and he reached out to so many neighbors here in Wachesaw who were going through hard times with a phone call. Lovely, lovely people! Carole and Don Williamson

“ Rod was one of the first members I met when I joined Wachesaw Plantation Club and I can remember that day on the range like it was yesterday.

A wonderful man has been taken from us to a better place. May he rest in peace.
