“ Dearest Cousins-

I am so saddened in so many ways for the loss of your mother, my Aunt Roena. Sadly I will miss her fun loving & chipper personality, her bear hugs and her wonderful cakes. Her home was always welcoming and seemed to never be without a cake. I am equally as sad for my mother, your Aunt Carolyn, as Aunt Roena was her last living sibling. She shares dreams of her and your mother going to the beach as children- playmates for life.

Roena, by some definitions "a gift". Truly she was a gift to you her family and to everyone that knew and loved her. God be with you all and may you find peace in all the wonderful memories you shared with her.

*My love to you all,
Melody*

“ My heart is broken for you and your loss. What a beautiful gift God gave each of you when you became her babies! I ride by Hart Street home every day and remember the good memories of visiting. I still think about the beautiful duck feather flowers she created; what a talent! And the meals she fixed! Georgia, I remember the delicious vegetable dinner you two cooked the last time I ate with y'all. But most of all I remember her smile and the welcoming hug she always gave me whenever I visited. All of you will be in my prayers. I love you all!

“ Vaught children, I am so sorry to hear of the loss of your mother. I have many fond memories of growing up in Conway and Kingston Presbyterian Church with your family. Even though I don't see her often, Georgia is very dear to me. Having lost my own mother 2 years ago, I have some idea of what is in store for you. Your mom will be sorely missed!
