“ So saddened to hear this news. My family loved Roger. We have so many fabulous mountain vacation memories with Roger and Betty and your two little boys who are all grown up now. Will never forget Roger trying to push me over Clingman’s Dome. Not really, but we laughed about how he scared me every time we saw him. May God give comfort to each of you. We love y’all and will be praying for your strength. Debbie Ammons Wolfe and Mark Wolfe
