“ Roger was my neighbor in Concord, NC twice in two different neighborhoods. He was also a friend. I moved to another part of the state and lost touch. I actually searched his name to see if he had any more good luck in the lottery. I instead found he had passed. Roger was a good friend and definitely loved his mother. Her passing was very hard on him. To Roger's family, I am sorry for your loss and sad to find Roger passed. The family is in my prayers.

“ Roger was a good friend and coworker. We had a common interest in music. Roger loved his job and very respected by everyone on the team. I know I will miss him here. But I know that he is having the time of his life in Heaven. I know that I will see him again one day. The family is in my thoughts and prayers. God bless you all!

*Carolyn, I am thinking of the whole family. I will miss Roger's Three minute phone calls. We enjoyed his visits. He enjoyed Kitty's meals. It was a pleasure to go with him to his favorite steak house. Yes, he did love his job. He would always tell me to be sure to call him and I did. He loved your family.
Peace..., Howard and Kitty*
