“ *Dear LeMoyné & Family, When I heard the news, I immediately phoned Carl at New South to verify the information I had been given. Those of us who work in the Shipping Dept. at MeadWestvaco in Summerville have a soft spot for "our" New South drivers. Roger was one of our favorites; easygoing, kind, happy, hardworking, always willing to help out a fellow driver. He was never cross & the kind of person who could make you smile as he did. Nearing the end of a day he was always ready to get his truck loaded so he could return home to his wife. Our hearts go out to you during this difficult time in your life. God is with you, though; in all of your pain and despair. Lean on Him in the days ahead and He will help you make it "moment by moment." Our thoughts and prayers are with you all. God Bless You, Brenda O. Jordan MeadWestvaco Shipping Dept. Summerville, SC##imported-begin##Brenda O. Jordan##imported-end##*

“ Dear LeMoyne & Family, We were so very sorry to hear of Roger's tragic accident. He was always there to help us with our "crazy house stuff". I still tell people how he watched me try to pull bushes out with my truck, then brought that big 4x4 over and yanked them out in one pull. We'll always remember him as an all-around nice, helpful guy. We wish we could be of some help to you now. Just know that our thoughts and prayers are with all of you.
