“ So sorry to learn of GR's passing. CP had told me of his condition. We are visiting with all our family at Beth's in St. George, UT. We are coming home on Friday. I have fond memories of attending Brevard Jr. College with him and living in same dorm a few doors down the hall. Our heart felt sympathy goes out to the family. Euel, Mary Ann Shelley and family.

“ Scott and family members, please know that we are praying for you during this difficult time. I last saw and spoke with your dad the weekend My brother Bill died. He spoke with a smile on his face as he talked about his family and his beautiful wife of 68 years. My dad Paul Beverly loved him so much. He will be missed but I know he is in heaven singing with our Lord and the heavenly angels.

“ To my dear friend, Scott and the Shelley Family,  
I am so glad that you were able to celebrate so many wonderful years with your dad. I was surprised to realize that your dad was his age for he didn't look or act his age. He was always so sweet and kind. Your parents were meant to be together for they were an example of a loving couple. I have so many fond memories of the two of them together. I always felt so close to your dad and mom. Now you are entering a new stage of your life where you have to live with the loss of a parent, father-in-law, grandfather, and/or great grandfather. Remember how he lived his life and made it a special place for all who knew him. Tell stories about him and rejoice in the fun you had with one another. Mr Shelly will be missed by many, but he is one complete and healed angel in heaven and he is where we will be rejoined with him once again one day if we accept Jesus Christ as our Lord and Savior. I'm sending this with my love and prayers. Your forever friend, Debbie
