“ Anita, Derek and Oliver. Our deepest sympathies go out to each of you on your loss. Ron and myself were subpar golfers, but we always had fun and made great memories. Ron was a gentleman, smart and funny. I will miss you my friend. May you rest in peace.

“ So sorry Anita and family for your loss. I've known Ron for almost 40 years. I met him by running an ad for a roommate back in the 80's and shared a roach infested apartment for 2 years. He made me my first White Russian and showed me how to bet on the ponies. We had many laughs in our youth and over the years. He has always been a dear friend i can count on anytime, I already miss his infectious laugh. On to the next hole Ron.

*Ron and I played together often. I often gave him tips and reminders as we played. He always played better than his handicap when we played together and was honored that he used to call me "coach" and thanked me for my input. I will miss that. Rest in peace.*

*Anita, Cheryl and I offer our deepest sympathies to you and your family for the passing of Ron. I played with Ron in our Saturday Relocated Golfers Group. Our talks would always start with how my wife was feeling. We swapped many stories in the short time that I've come to know him. You are in our prayers.*
