“ Dear Linda, Kristy, Eric, Katie & Matt, We are sorry we could not be there with you. We have so many wonderful memories of Ron. Gymnastics meets, ice-cream with the family, trips to Colorado and Ron finding the most magnificent spots to visit. Ron was always funny and a warm and compassionate man. Always quick to smile and tell a joke. He was always so proud of his family. He will truly be missed. Love you all. Claudia, Ed, Kevin and Kyle.

“ I worked with Ron all over Middle Tennessee trying to sell the Ecolab pool systems. We sold some, and walked away from some too. Ron was always a guy that you could look up to and really know that he knew what he was talking about. I took him to the downtown music area in Nashville a few times and watched live music, and he really seemed to like the live music scene we have here in Nashville. I used to call him from time to time to check on him, but I regret that I havent done that in some time. Just know that his Ecolab family loved him a bunch, and we will surely miss him. GOD bless you Ron.
