“ This is from Ronnie s little sister Jackie, I didn't go to the funeral. Like my brothers and sisters . But my heart was with them and my prayers. I feel for his children who loved him so, Now they have memories, He was a good father spending time with them going to the beach fishing or on the lake boat fishing, golfing. He had a great personality, telling stories of the past , Ronnie was adventous. And when they think of him I'm sure they smile recalling him , But sad because his life was cut short. Not a day goes by without thinking of my missed brother Ron .##imported-begin##jackie##imported-end##
