“ Dear Kind Family - As a kid Ron was my baseball coach for a couple years (76-77). He was the first to teach me how to think within the game. He truly took joy in teaching and then seeing his players develop by using the knowledge he gave us. I have often thought of Mr. Kind over the years of my life and decided today to look around a bit and see what he might be up to. I'm sad that I waited too long to look him up and that I didn't get to know him in my adult life. He was a great man who gave many of us kids a lot of great memories as we worked to master the game. The tools he gave me make things come together for me. Whenever I watch baseball on tv I can see into the game and basically predict what's going to happen next - all thanks to him. He was a great man who will forever be in my heart.

“ Dear Kind Family, I was so sorry to hear about Ron. I was one of his players back in the day. As a matter of fact Ron is the one who tagged me with the nickname "Sticker Sticker Daisy Wicker" which has been shortened to Stix but is still with me today. Clay Miller and I still speak of those great teams we had, and the coach that made us as good as we were. He is missed but will never be forgotten. Sincerely, Kevin FowlerStix###imported-begin##Kevin Fowler###imported-end##

“ Ron you will live on in my heart and memories. Ron was a great coach and friend to his kids, but he also coached me as an umpire! He showed me how to be a good umpire. Later on in my life Ron was my boss at Truck & Bus. He was the best boss I've worked for at GM. I consider it a privilege to have known him so many years. God bless you Ron. To his family our deepest sympathy. May God give you comfort and blessings at this time and for years to come. ##imported-begin## Ed Reed ##imported-end##

“ Dear Family Of Ron..... You may or may not remember me, Joe Fowler, who enjoyed so much working with Ron, Roy Todd, & Bill Crocker with our Little League Teams, "The Tigers", who, mostly due to Ron's expertise in baseball, won three Little League Championships in a row.....Unheard of in those days. We considered he and Sue, and your family as good friends, and we will miss him..... I still have a plaque, and a baseball signed by all of the players and coaches who worked so closely together as to become friends for life. Kevin, my son, called us last night to tell us that Jeff Allen had notified him about Ron. I wish that our whole "team" could be there for Ron's service; but, old age, and miles, prohibit it. I will always remember him, and thank him, for his influence on the young men that we coached. He was a really, A Good Guy..... “ I will truly miss Ron, we shared Thanksgiving's together and he loved frying the turkey. He also liked to give people names he liked to call them. I have been called "LT" for the last two years and I probably would not have responded to Ron by any other name. We will miss him, as his family will, but he left us a legacy of many fun times and many good memories. May God Bless and keep you.##imported-begin##Barb Littlejohn##imported-end##

“ We send our condolences to Sue and sons. We knew Ron through work at Pontiac East. One of the funniest memories of Ron was when we had given him a kitten and it lost one leg and he called it llene. He was a good friend and supervisor. Lost track of him after he had retired. We are saddened by his death.##imported-begin##JOHN&SHERRY COOPER##imported-end##

“ Ron always greeted with a smile and a warm feeling of " I am glad to see you"...my fondest memory is when he kicked Junior Mazella's ass..at a party ...at Judy Moran's house. Manzella took off his shirt and began bullying ..Ron told him to take it outside..they did...and Ronnie did :...Knocked Manzella OUT...I played class "A" ball with Ron in Pontiac...what a competitor!!!....I always admired his determination, and will miss him. God Bless his soul, and, God Bless Sue and the family.##imported-begin##Bill Hampton##imported-end##
