“ Brad, I am so sorry to hear of Ronald's passing. I just heard today. If I had known I would have gone to pay my respects. Somehow I didn't get the message. Again I'm so sorry for your loss. I love you so very much and you are in my thoughts and prayers. ❤️🙏

“ *Brad/family
I was so blessed to have many memories with your dad/son/
grandfather that I couldn't possibly write them down.
RB was one of those people that would do anything he could to help
you or find someone that could. He was always willing to give
advice, but of course when you had questions he would say " I can't
tell you everything ". Lol
Rb I will miss you greatly. Love you.
