“ *In his career as salesman he worked with passion, integrity and energy. By his death all the people who knew him will miss a highly intelligent, vibrant individual with a rare friendliness and charm of personality. Ron was a genuinely warm and wonderful individual—one I will miss greatly. My sorrow is lessened only slightly with the comforting thought that I had the privilege to know him.*

I'll remember you with all your special nuances and our memories from all the days gone before that I was privileged to share with you...

And today I'll grieve for you, and cry for you and even smile because of you...

And in all the tomorrows I'll feel you – gone in some ways, but your presence ever near.

Go well...stay well...always
