“ *Lynne, I just picked up an old Horry Independent and realized your sweet mother had passed away in December. We all thought so much of her and really enjoyed the time we had with her as a neighbor. She was always so kind to my children. Find comfort in her love for you and your family and the memories you all shared. She was so proud of her grandchildren. That's all she talked about the last time I visited her! I know you will miss her. Mari Lu and Bob Grooms and Family*

“ *Dear Lynne:*

I am so sorry to hear of the loss of your mother. Everybody in Conway loved going to the shop and your mother was so graceful. What a dear lady! Thinking of you during this difficult time.

“ Lynne,

I'm sorry for the loss of your beloved mother. She made many women in Conway and the surrounding area feel lovely after having shopped in The Quality Shop. My grandmother, Ruth, always had to go there to get just the right thing to wear. I know you will have wonderful memories to cherish of all the years you had with her. You and your family will be in my thoughts and prayers.

“ Lynn and Family,
You are in my thoughts and prayers. Rosa Lee will always be among my most pleasant memories of Conway. It was always such a pleasure to visit the Quality Shop. Quality is the right word to describe her and you as well.
