“ Dearest Eddy, and family.  
My heart is breaking for you. 😞  
We have so many fun memories of your wife Rosy. She was one of the most kind and generous person I’ve ever met.  
She was a lovely lady, I’ll never forget the little birthday celebration that I had at your restaurant, after my husband passed away. Your wife made sure it was a memorable one. She will be forever in our hearts 💕

“ I met Rosie through Socastee high school band family. She and I worked tirelessly on band projects to raise money in support of our kids. Rosie always put 110% of her heart and soul into any project she was working on. Rosie was one of the funniest most loving, hard working people I knew and she would give you anything you needed without a second thought. My life is better having known you, sweet Rosie. Thank you for all you gave to this world it will be a little dimmer without you. I am heartbroken that your are gone too soon. I will continue to stand by Leland in any way I can and will keep your family in my prayers. I know you are watching over as well. RIP my friend. ❤️

“ I am so sorry to hear about Rosie. She babysat my children, and they loved her. I taught at Conway High and watched her grow up. In recent years, my family enjoyed eating with her and Eddie at E Noodles. She was always upbeat and joyous. May God bless all of you and wrap his arms around you. Phyllis Nye

“ I taught Rosie when she was at Conway High School. What an involved, intelligent and dedicated student she was! She always seemed to be so happy with her engaging smile; she reached out to everyone as she was fully committed to school spirit and all her leadership positions. I admired her for so many reasons. I have not seen her in all the years since, but I am sure she was still a bright light to all who knew her. My prayers are uplifted for all her family.
