“ I am so blessed to have fellowshiped with Rollie at her home while a young Christian. I will always cherish her wisdom and friendship. My brother, Rodney and Vicky were married at her home in Sequoyah Hills. I have so many fond memories of her elegance and sweet graciousness in all that she would do. Her walk with The Lord touched everyone who knew her.

“ Rollie and uncle Bill were so good to all of us hippies that got saved and landed in their doorstep. They remained close friends til their passing. We will always treasure the years 1977-1984, when I moved to west Tennessee for my husbands job. My husband then, Rodney Creel and all the church adored Rollie. She had more common sense than any if us. She graciously allowed me to teach Bible in her home when I was only 30 years old! Now I'm almost 75 and I will always treasure our memories together. She loved all her family and church family so very much!!!!!!what joy there will be in heaven when we're all reunited!!!!!!

“ Catherine, I know how close your mom was to you. She had the protection gene that many moms have. Seeing the pictures you posted demonstrated the love she gave to your daughter, yourself and the entire family.

“ My beautiful mother...she was an amazing woman. A force of nature. She loved all her daughters and grandchildren fiercely. She will be so dearly missed. I will be doing a longer obit and memorial page for her as soon as I can. Just remember ladies (and gents, if so inclined), brush your hair and put on your red lipstick today in honor of Rollie.

“ I was privileged to know your mom as I was one of her caregivers. She was great to talk with and I always looked forward to our visits. I never saw her that she wasn't smiling, just an all around lovely lady. Her loss is deeply felt. Lisa L. Verkuilen

Rollie became a beloved step-mother to me when I was 12 years old. From the very beginning we established a great bond and have always remained friends. I know all my sisters shall miss her terribly. One day we shall all meet again ...Love You Always,Janie

Rollie, Lynne, Janie, Margaret, Nancy and I took the white convertible to Ft. Lauderdale for Spring Break 1961 right after the movie "Where the Boys Are" came out. What a great time we had. Rollie had as much fun as the rest of us who were teenagers!!
