“ *Where do I start? RoRo was the best. Her laugh was like no other laugh. Her heart was huge and she made everyone always feel welcome. We go way back and I will cherish all the memories in Carmel at Xmas, Easter & most of all summer BBQS! She was like another mother to me, listening when I needed her to and giving me advise. Even know I will not see you again , I still see your smile, feel your hugs and defiantly hear your laugh. Love you RoRo*

Meeting Roseann and Nelson was a huge plus for Lee and I when we were trying to decide whether or not to buy the lot next to them. They were just moving in themselves and had very little furniture in their home, but they welcomed us in, showed us around, and we were instantly won over. I grew to love and cherish them both, but especially Roseann, because she was basically homebound and I loved going over for visits. She was a beautiful soul who loved her husband and family deeply. I will miss her beautiful smile, her joy for life, her warm hugs and kisses, and her amazing Italian cooking. She was a beautiful friend and she will be dearly missed. Love and prayers to all who loved her 🙏💔💔💔💔💔💔💔💔🙏
