“ There are no words to explain how much me miss you, Grandma... your smile, your laugh, your jokes. I had so wished that Grandma would be there next year to see me get married, at least I know she will be watching. I love you Grandma and we all miss you so much!###imported-begin##Candy Mosteller###imported-end##

“ I miss grandma so much, it is definitely hard for us all, it seems like just yesterday we were down there with her at the flea market, or out to dinner, and every where we went somebody knew and loved her. She will always be in my heart and never forgotten. Tj tells me that you gave him his teddy bear, and you are with Jesus now, and Alyssa says prayers with the prayer bear that you gave her, as she remembers her times with you. We love you grandma, and miss you so much!###imported-begin##Trina Nease###imported-end##
