“ *We are so sorry Linda that your mom died. I have many good memories of both your parents and will remember them always. I remember our school days when I would come to your house after school, weekends, sleepovers, and the bridal showers that you and I had. I remember your parent's smiles and always enjoyed talking with them. It sometimes seems like a long time ago and yet not so long ago. I'm glad my mom now has the company of your mom again after so many years. My heart is with you and I love you my friend. Paula##imported-begin##Dennis and Paula Beaujean##imported-end##*

“ To Rose's family. My deepest sympathy to all of you. I worked with Rose for many years at NIAAA in Rockville, MD. I loved her sense of humor and I remember her and I wearing costumes one year for Halloween. Our co-workers loved it. Even the Director of the Institute had his picture taken with us. She was a very special person. I enjoyed knowing her and working with her all those years. I will keep you in my prayers. God Bless all of you. “ I met Rose at Waccamaw Rehabilitation Center in early September 2005 and immediately loved her. We sat together for meals and prayed together. Once at home I called and left a message and wrote her a note, but for whatever reason, she did not respond. Nevertheless, I want you to know that I thought her to be a very, very special person.###imported-begin##Virginia R. Fretwell###imported-end##
