“ There isn't a day that goes by that you are not remembered for some silly thing or saying. Savanna speaks to you daily & misses you so. You were the BEST Mother (in-law) that any guy could have. Always in the house by 11:17pm. Always there for everyone. I know you are watching over me & making sure I take care of the family. Linda has lost her best friend in the whole world & still reaches for the phone to give you a call. Please keep an eye on us & let me know what's on your mind, like you always did.  
Love, Bob

“ Rosemarie will be missed everyday but remember she is always here, in your heart. This is the most difficult of times when a loved one is gone. Your memories of being together celebrating life will bring you comfort. Both of our parents are gone, yet we talk about them happily and ask them for guidance in difficult times. Even though gone, they have walked through life with us and have protected our family. They have been our guardian angels. Rosemarie is here and one of God's Guarding Angels who will protect, bring comfort and give you strength. Look for her essence and energy everywhere. She is listening, watching over you and walking with you through life. Please accept our prayers and condolences to your family at this sad time.
