“ Dear Jason, Zach and extended family

Rosemary and Jim were our next door neighbors in Dacula, Georgia. Rosemary was a whirlwind woman and gave of herself freely. She was always there with a helping hand and open heart. I experienced a low period while living next to her and she was by my side with her support. This I will never forget.

As is usual in the States, people move away. However, we tried to keep in touch when we could. My last communication with Rosemary was the day after her 80th birthday. I will treasure that message. ❤️

Needless to say, your mom will be greatly missed, Zach and Jason. But, I'd like to think she has been reunited with your dad. 💕

From our family here in Switzerland, we send our most heartfelt condolences and prayers.

Love

Faith, Chris, Olivia and Alexander

“ Rosie was the best!!! Jason & Zach, your Mom was a special lady and she will be missed greatly. I will always remember her beautiful gardens (next door neighbor in Fairport) and her helping me as a kid when I super glued my fingers together 🖐️ and when my brother had a party when the parents were out of town...and she came in to "borrow a egg" and she needed to pick the "egg" out!! Haha making sure everyone was good and nobody was driving if they shouldn't be!! 🖐️. She was truly the best. ❤️. We loved her dearly!!!
