“ Roy will be missed so much. He was such a good man and I loved him so!! He was always sending me some crazy card and I did the same to him. We loved to kid each other. I will always remember that big smile of his. I know that he is gloriously healed and at peace now. My thoughts and prayers are of and with Doris, and his children and grandchildren I know that they will dearly miss him too!##imported-begin##Rhonda Billingsely##imported-end##
