“ Although I have just learned of his passing, I have often thought of Mr Steiger. He was my marching band leader for the Holy Name High School band, and always made every member of the team feel special. When I told him that I would be attending Albright College, he shared that he was an alumni. He also joked, “They are not ALL bright at Albright.” My husband and I still joke about that. Mr Steiger was a great mentor, teacher, and soul! My condolences to the family.

“ I am very sorry for the passing of Mr. Steiger. I marched in the Holy Name Band, 1969-1973, where he was a wonderful master and teacher. I will always remember his love of working with the youth at this school. My high school years were even more fun with his sacrifices and time with us all. I will hold your family in my prayers.##imported-begin##Sister Patricia Mengel##imported-end##

“ An Uncle who I will always remember as kind and funny. Lots of stories of he and my Dad. Many times I saw him in military fatigues. Someone who I respected for his service to his country. Thanks for the good memories. I still have the '64 Phillies team signed ball. You will be remembered.##imported-begin##Dave Eggenberger##imported-end##
