“ Ruben was my 1st cousin. He was 21 years older than me but we had many good conversations. He was caring and always treated me with respect and love.

I moved away from Conway some years ago, and when I saw him at my Mothers funeral, it was like old times.

He was a person that helped all and I remember all the times he took care of his uncle, when he was ill.

Sorry for your loss and wish the family the very best.

“ Reuben was a good friend to many. He enjoyed attending Wampee High School monthly luncheons with warm and sometimes funny fellowship. He will be missed but never forgotten. I was proud to have called him a friend. Thank you Reuben for your service to our country and county. Hugs, condolences and prayers are with his family. We all can now take comfort knowing he is in God's loving care. Rest in peace my friend.
