“ So Sad, you'll be missed. Can remember the last time I stopped to talk with you and Steve. You always made me welcome. Growing up you were always a part of my family. Words could never tell you how much you are loved.

*Your pain gone now and sure I'll see you in heaven.*

*Ask God to give comfort to all that will be missing you.*

“ So sorry for your loss. Aunt Ruby was one special lady . I remember the last time I visited with her we talked for hours about her family and my mother which is her sister. If I ever needed someone to talk to it was her . One amazing lady that will be missed. She loved all of her family, especially her two sons. She lived her entire life for her children. I love you Aunt Ruby and we will meet again.
