“ Hi everyone, I love and miss you all. I wish I could be there. I will miss Grammi Pruitt. She was so sweet to the girls the last time we were there. We will treasure the bunny figurines she gave them and will take them out not just at Easter but all the time now. Love, Kim Grammi Pruitt's grand-daughter kind of ex-step but never felt that way###imported-begin###Kim Preveza###imported-end###
