“ Dear Susan and family, I remember your Mom and Dad fondly from the auxiliary to WCMH and as a Windham Center neighbor. Ruby and I did alot of auxiliary work together. She was so kind and friendly and had lots of great stories to tell!! I admired her strong devotion to your Dad when he was at Douglas Manor--maybe it was Abbey manor then. Yes, she was a good friend. “ Susan, It was a shock when I saw your mother's obituary in the MB Sun Times today. I was a former next door neighbor from Windham Center in the little red house on the hill. Bill and I had the 3 small children Patchin, Keeley, & Willy who liked to go visit the little bull terrier. I moved to Darien, CT in 1975 and then here to Georgetown in 2006. Unfortunately Bill died in 1988 at 52 and I have since remarried. My this world of ours is mighty small.##imported-begin##Carol Curtis##imported-end##
