“ *The many years at Jamestown made each person feel like family. Larry always had a smile on his face. One of the most humble Christian men ever. Betty, Jody and Brad, you have my most sincere sympathies. May God bless you with comfort that only He can give. Even though the time is full of sorrow, find time to rejoice because Larry is walking streets of gold and conversing with our Lord.*

Betty shared with me Mr Larry Moores departure yesterday November 8, 2021. I knew Mr Moore from 1982 until present. Mr more was my Vice President at Conway Hospital. I worked very close to Mr Moore in 1986 thru 1999. I always respected Mr Moore. Mr Moore is what I always called him. He was a very nice , honest Christian man. I enjoyed working with Mr Moore. I lost my husband in 1999 While my husband was on life support Mr Moore told me later that he came up to ICU several times to let me know he was there. He never was able to get close to me because of the crowd. I was Buyer in Purchasing at the time and I worked close with all supervisor's, department heads and director's at Conway Hospital. When my husband had passed away there were so many employees at Conway Hospital that wanted to be close by. Around a month later I came back to work and Mr Moore came to me and told me about the many times he went up to see me. That blessed my heart so much. Mr Moore also came to my husband's funeral. He was one of the best of all the VP at Conway Hospital. I will never forget the kindness he had for others. I will miss him. Prayers for Betty and family.❤️
