“ My deepest sympathy to Sandra and all of the Brehn family. My heart is breaking right now and I just can't seem to wrap my head around the fact that Russell is gone! I have known him for a long time and he is/was a very dear friend. I am grateful for the memories I have of him and he will live on in our hearts and memories. One of those memories was when he officiated my wedding and I have shared a couple of pictures.

*"It is often said that something may survive of a person after his death if that person was an artist and put a little of himself into his work. It is perhaps in the same way that a sort of cutting taken from one person and grafted onto the heart of another continues to carry on its existence even when the person from whom it had been detached has perished." Author: Marcel Proust*

*I love you Russell....RIP my dear-sweet friend!*
