“ When I heard the news, I went back to my younger days of riding bikes with Rusty, Steve, and Robbie in Buffalo. Great times we had playing backyard football, or basket ball. Rusty made several beach vacations with me as well. Spending times on church camps. We sure did have fun and laughed a lot. Great friend, To the family my deepest condolences. My heart is so heavy for your great loss. Prayers.

Only wish I had met Rusty earlier in life. We worked together in Chesterfield and even played a tournament together. He was a super guy and friend as well. How could you not be friends with him? Thinking of each of you as you get through this life changing event. God,time,family and friends will make it more bearable. Rest in peace with God and your Heavenly Family Rusty
