“ Al, I was so surprised and saddened to hear of your loss. Ruth, indeed, was one person in a million and also an invaluable book of knowledge to her employees and the citizens of Prince George's County, MD. Ruth was thoughtful and caring to all those around her and so very proud of her family. She was there for me through the sickness and passing of my Mom and especially on the sudden loss of my husband ten years ago. Ruth hand embroidered a picture that's still hanging on my bedroom wall that she carefully waited two years to give to me....when the time was right and she felt I was more able to move on. It reads: "When someone you love becomes a memory the memory becomes a treasure." I'm passing this wonderful thought on to you, Al, as Ruthie and all your memories of her are surely a treasure to you and your family. God bless.##imported-begin##Renie Armstrong##imported-end##
