“ Bill and family I am so sorry I did not get to see Ruth again, before she passed. I so wished I did. Ruth was a very special, friendly, warm, kind soul. I will treasure the teddy bear collection she gave me. I have them on my stairs and will think of her each time I see them. Please know that if there is anything we can do for you, Bill, please let us know. This community won't be the same without her. Our sincere condolences to all the family and especially to Bill who took such good care of her. We are all the better to have known her. “ Bill and Family I was so sad to hear about Miss Ruth. When she would come into the Chiropractic office I was there to make her feel better. Somehow it got to where when she came in I felt better. She made me feel very special and always took such an interest in my Grandkids and family, and that was special to me. Ruth was a lady's lady and I became close to her. I'm glad she does not suffer as I know she did anymore and I celebrate her life as a caring strong woman who could always make me giggle. I was priveledged to have known her. “ Dear Bill ~ I don't know if you remember me, but you and I worked together at Amana. I was Tim Garbett's secretary. Anyway, I just learned of the passing of your lovely wife Ruth after reading the Gazette and I wanted to send my heartfelt prayers and condolences to you and your family. I remember you speaking so fondly of her and sharing your stories of vacations with me that the two of you would take. I especially remember the one where the two of you went to Virginia and took pictures of all the naval boats and sailboats and then you gave them to me for my son Zachary, who was approx. 4 years old at the time. Zach is now 17. Again, my prayers are with you as you hopefully are able to reminisce about the many joys and memories that the two of you have shared over your lifetimes. God Bless, Diane##imported-begin##Diane Schwarzkopf Jennings##imported-end##
