“ My thoughts and Prayers for all of Aunt Ruth's family. She was great lady. I will always remember her smile and the memories of easter egg hunts at Grandma and Granddaddy Bournes. She was our final spoke on the wheel. I am sure she is rejoicing with all those that have gone before her. Till we meet again...

“ *I have known this family for many years. Mrs. Ruth and Mr. Bill were very fine people. They were always very kind to me. They were instrumental in bringing me to Christ Jesus in my early teens.*

“ *Nothing will ever beat the time we spent playing Yahtzee, making ramen noodles and watching braves game. You made me who I am today. You know I'll never forget it as long as I live. I wish I was able to do more for you before you left considering you did so much for me but you know I'll see you and papa again when the time is right, love you for life.*
