“ *I am saddened to read this today. Ms Taylor was one of my favorite math teachers. I had the great privilege of having her for math 2 out of my for years in high school and later in life as my math professor for 2 classes at HGTC. She loved being a teacher and cared deeply for her students. She will be missed by many. Sending love and prayers to her family. RIP R.A.T*

“ *It was such an honor to know Miss Ruthie. She was such a sweet lady. She taught my husband all four years of high school math. He said she was one of the best teachers and knew her stuff. I'm going to miss her dearly. Forever rest in peace. My prayers are with all the family and friends*
