“ Wanda, It's been so long since I've seen you but wanted to let you know that I was so sorry to read about the passing of your mother. I remembered the love she had for her family as I watched her visit your father daily during his stay at Conway Hospital. May you and your family find comfort in knowing that she's now resting in perfect peace and that God has a welcome mat prepared just for her.##imported-begin##Tammy Hamer##imported-end##
