“ Dear Helga, My deepest condolences to you and your family at the loss of Sal. It came as quite a shock when Jerry Amendola called to tell me the sad news. I worked with Sal for so long at Stop & Shop, and felt very close to him. He was very helpful to me at work, and taught me many things that I still use to this day. Since he retired, not a week has gone by when I haven't thought of him at least once, and it always makes me smile. And, believe me, I'm not the only one who feels that way -- Sal had that kind of effect on people. My thoughts are with you and your family at this time. Sal will certainly be missed. “ Auntie Helga, Andrea, Annemarie and JoAnn; I am very sorry for the loss of Uncle Sally. I have a lot of good memories growing up. Sleeping over the house, going fishing and mushrooming with him and going to the lake. I really admired him as a person, Uncle and Godfather . He was a very talented man. His woodworking abilities were amazing. I remeber going out in the garage with him and watching as he set up his tools and saws. Also how he did the wood carving pictures. I particuarly remember the bobcat picture that hung over the stairway in Guilford. He introduced me to Craftsman tools. I learned alot from him. He really seemed to enjoy his craft. We all had a lot of good times and laughs together, especially when Nellie was involved. Growing up, Steven and I were always with Annemarie and Andrea. Thank you for everything Uncle Sal, I love you and we will all see you again someday. Michael##imported-begin##Michael Manna##imported-end##
