“ *The time I spent with Sal was brief but it was a lasting impression of a wonderful time. I will always remember Sal selfishly sharing time with his wonderful family in Cerda with us. It was priceless. We immediately felt part of his family. The memory of Sal doing his best to act as a translator for us in the archives at the Duomo was fantastic. I know that at times he was frustrated trying to deal with me & the priest. A formidable task, yet he persevered. He was pure pleasure and has a special place in heaven. I am a better person for having known him. Our thoughts and prayers go out to all the family.*

“ *Dearest Maria, Danielle, Vinny and family members, our hearts are broken and we extend our sincerest and heartfelt condolences to each of you on Sal's passing. Sal was a gentle giant. One of a kind. He was such a gentleman. We think back to the first time we met him. We had made contact via phone and texting over our mutual interests in family genealogy. We first met in person at the Lafayette airport. Neither of us knew what the other looked like, but when we saw him we knew it was him. He was such a thoughtful, kind and generous person and once we met him we understood how important family was to him. God has truly gained an Angel and we know that because of his presence, Heaven has become an even more inviting place to call home. As your hearts heal, please know that our love and prayers are with each of you! All our love and hugs to all! Ebrar and Jean*
