“ Janet, Ben & I are so saddened to hear about Sam. We were so happy when you were placed on Ben's Deacon list. It gave us a chance to get to know you both and to see what sweet and dear people you were. Sam always had a hug for me and always made me feel special. No matter what was going on, you both were wearing the biggest smiles. We pray that the Lord will continue to give you and your family strength & comfort.

*Much love,

“ In 2003, I had the great pleasure of working with Mr. Boatright and meeting Mrs. Boatright in Kinston, NC. Fresh out of college and far from home, Mr. & Mrs. Boatright were so kind to look after me. The first time I ate dove wrapped in bacon was with Mr. Boatright. They were so delicious that he & I stood over the platter and just kept eating. The hunters declared that they would have to go out again to keep Mr. Boatright and I fed! We had a lot of good times in Kinston. Sending love and prayers to Mrs. Boatright and the entire family!

“ *The funnest memory I have of sam is when he and Janet and another couple went with us to Beach Mountain NC. to stay at our time share. We drove 2 cars and when we wanted to go sight seeing , we wanted to take 1 car. However, my crv would not hold but 5 people. That did not stop Sam, He lifted up the back and jumped in. It was really too small for him but he got in and off we went. He was so funny curled up in the back.. We did let him out some to uncurl.. He was such a good sport.. We are going to miss him so much.. We enjoyed going out to K & W on Sundays before it closed up.. We had to find another place to go, We started going some to Hog Heaven and Sam really loved it.. The last sunday we went with him and Janet there was on Aug 26... We did go to some other restaurants after that but he liked Hog Heaven the best.. You will be missed Sam. We will never forget you...

“ Janet, Tim, Kim and Jr... You just don't know how sorry we are for the loss of your husband, father and father in law.. Sam was such a special person , He was always willing to do anything you ask him.. We always had such a good time on Wednesday nights answering all the questions Chris would pass out. We were always laughing and cutting up. It is amazing we even wrote down anything.. We would also have a great time eating out on sundays.. Sometime we would have a lot of people go or just us four. It was fun deciding where to go each sunday.. Most of the time we ended up at Hog Heaven, I believe Sam liked that one best.. I know you all will miss him so much.. He was truly a great man of God and loved to go to church at First Baptist Murrells Inlet.. He was always there when he wasn't sick.. We can say without a doubt that he was a wonderful person and a great friend.. We will miss you Sam Boatright but we know you are in a great place and one day we will all be there to see you..

*Your friends in Christ forever.

“ First of all, we are so sorry for your loss Janet, Kim and Tim. I remember when the twins were little as all of us kids grew up together in Tepic, Nayarit, Mexico. Kim and Tim were the first twins I ever knew and I was fascinated by how similar they were in so many ways and yet individuals too. Then eventually we all went to the one room school house with one teacher and the individual curriculum by grade. We all became family living in a foreign country together- so many family gatherings, dinners, celebrations and occasional sadness too. I remember thinking Sam and Janet were the best couple every - gorgeous , with southern charm and genuine love for all of us but mostly for each other. Sam was such a great Dad and friend to all of us kids. I wish you peace in knowing there is no longer pain and suffering for Sam. I hope soon you all too will find a sense of peace and less suffering. God Bless you in this difficult time and always
