“ I could not have asked for a better dad, father, mentor and role model than you, Dad. Your legacy of love, faith, and charity, as well as your compassion, love of life and devotion to family is something that will last through the generations in your children, grandchildren and all those we touch, as you touched us. I consider myself blessed by sharing your name, for when we hear your name, we know you were truly a good man.

Love you always.
